36 photos sous la surface de l'eau à couper le souffle

Recommandé par Outbrain

Specialised in underwater photography, the artist Susanne Stemmer examines the changes that human beings experience after their immersion through the surface. An inner journey begins into a world we rediscover ourselves, an invented world, photographed and still resembling to be an imaginary painting. #underwater #susannestemmer #widepainting

EXHIBITION UNDER WATER – SEASON II galerie WIDE PAINTING 17, rue du Cardinal Lemoine, 75005 – 2nd April to 31st May 2015 – OPENING 1st April 7pm
